Location: T2S R3W							
558	Terracor, S1.9	1974	U	-330	T	0	

Footnotes:

- (1) Wells with a "W" prefix have been sampled by Kennecott. Well locations are shown on Figure 2.
- (2) The section number for each well is designated by S followed by the section number, as S32, after each well owner's name.
